DM15 Price Computing Scale

- 240 oz x 0.1 oz / 15 lb x 0.005 lb
- Ideal for Retail Frozen Yogurt, Ice Cream, Coffee Beans, Nuts, and Candy Stores
- Up to 99 Easy-to-Add PLUs for Quick Reference (14 direct and 85 indirect)
- Displays Weight, Unit Price, and Total Price with Operator and Customer Views
- RS232 Serial Port Standard Provides Label Printer Connectivity

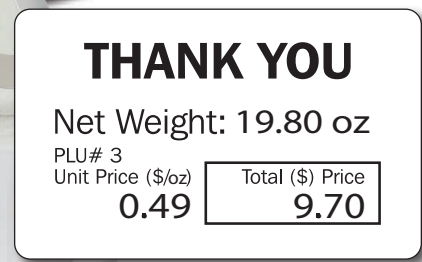

Detecto Model DM15 Price Computing Scale

DETECTO's DM15 may be connected with the model P225 label printer via the 7100-0025 serial cable (not included) using 7100-0026 label rolls (not included).

P225 label printer

Fixed standard D series label output format

Easy-to-Read Backlit LCD Stainless Steel Washdown Platform

DETECTO's low-profile DM15 price computing scale offers up to 99 easy-to-add PLUs for fast reference (14 direct quick keys and 85 indirect PLUs). The DM15 displays Weight, Unit Price, and Total Price on the front and rear backlit LCDs (up to six 0.5-in / 13-mm high digits) for both the operator and customer to view simultaneously. The DM15 offers accurate and reliable weighing for farmers markets, delis, bakeries, candy kiosks, coffee shops, convenience stores, produce markets, and hardware stores. Auto Shut-off, Sleep, and Backlight Off modes extend the retail scale's battery life.

7100-0026 labels (optional)

7100-0025 RS232 serial cable (optional)

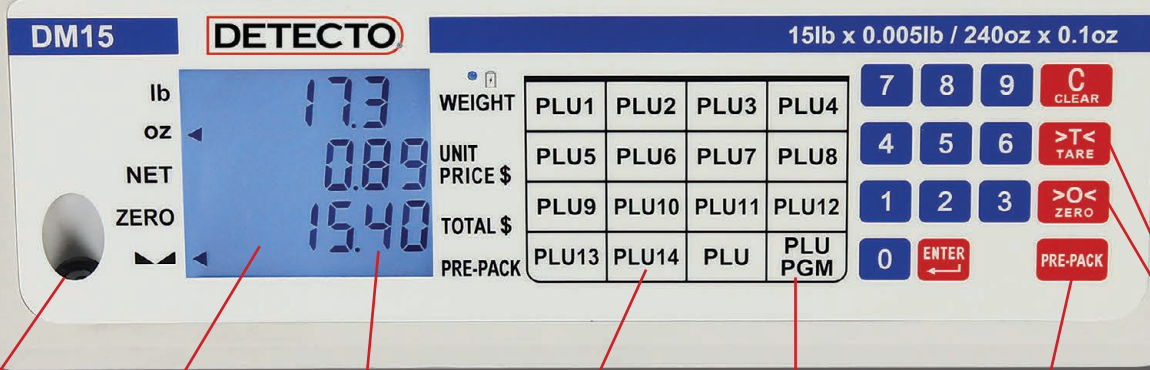

The NTEP legal-for-trade scale's Pre-Pack key saves time by retaining the Unit Price and Tare for repetitive price computing, making the operator's job even faster. Adjustable, nonskid feet and internal bubble level ensure steady and accurate weighing, plus a beep provides audible confirmation of key presses. Ideal for the retail frozen yogurt and ice cream industry, the weighing capacity is 240 ounces by 0.1 ounce accuracy (15 lb x 0.005 lb). The high-grade, molded polymer enclosure with color-coded sealed membrane keypad and lift-off, wash-down stainless steel platform make cleaning easy.

Rechargeable Battery Pack for Cordless Use in Kiosks and Farmers Markets

DETECTO's DM15 price computing scale offers a dual power source of rechargeable battery pack and 110/120VAC 50/60 Hz adapter (included). Charge it up and it will last 120 working hours of continuous use with the backlight turned off.

OPERATOR VIEW

- Bubble Level
- Backlit Display
- 0.5-in/13-mm H LCD Digits
- 14 Direct PLUs (99 total)
- Quick and Easy to Add PLUs
- PRE-PACK Retains Unit Price and Tare
- ZERO and TARE keys
