DETECTO's model DR400C and DR550C digital portable floor scales will provide you with years of accurate and reliable weighing from the brand you trust in clinical weighing. The scales arrive assembled for use.

The portable lightweight platform and large bold readouts make this scale ideal for mobile clinics, home healthcare nurses, doctor's offices, general purpose use, and home bathroom weighing.

The scale's moveable display lets you place it on a work surface or mounted to the wall, wherever it's most convenient for you to view. An optional black carrying case is available.

DETECTO is the largest medical scale manufacturer in the United States providing clinical-grade accuracy and dependability for over a century.

The economical DR400C and DR550C are battery powered, so you can take the scales anywhere you need them. The bold LCD is viewable in almost any lighting condition.
